

# RESILIENT-AGILE

## LEADERS *in...*

## VUCA World

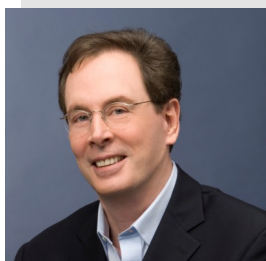

### Leadership in Times of Volatility, Uncertainty, Complexity & Ambiguity

Both large & small organizations are facing a variety of challenges as the world becomes more complex and volatile. Leaders must remain stable, flexible, adapt under pressure and change while maintaining a positive mindset to manage constant disruptive changes.

#### Topic Highlights:

- VUCA world the new norm
- New mindsets to navigate through VUCA turbulent times
- Ways to maintain Resilience @ Work
- 10 characteristics of Agile Leaders @ Work

*Leaders can bring out the best from employees  
...if they help them rethink their approach to work*
